

Visit Spearfish Inc. is a non-profit destination marketing organization funded by Spearfish hospitality taxes and occupancy fees that is dedicated to increasing the economic impact of tourism in the region.

Visit Spearfish offers sponsorships to encourage events and programs that lead to enhanced visitation and tourism expenditure in the region. The following are discretionary guidelines to be used for sponsorship consideration.

- Visit Spearfish sponsorships are granted to increase the number of visitors (participants and attendees) to generate economic impact.
- Sponsorships are provided to draw people directly into the Spearfish community with emphasis on overnight stays and generate hospitality sales tax (eating and drinking establishments).
- Greatest consideration will be given to events based on two primary criteria:
 - a. Ability to make a significant impact on Spearfish;
 - b. Ability to draw a major number of participants/spectators from out-of-town.
- Special consideration will be given to events that are scheduled during the off-season, November through March.
- It is the preference of Visit Spearfish that, whenever possible, monies requested and awarded are used for marketing - specifically to encourage individuals and groups outside of the local trade area to visit and expend funds in our trade area. (Please note on the questionnaire how the funds will be used for marketing.)
- Special consideration will be given to new events and programs. Funds may be available for existing programs to accommodate plans for growth or expansion (more visitors, more days, etc.).

Process for Awarding Visit Spearfish Sponsorship Funds

- Application will be considered at the monthly Visit Spearfish Board meetings. Applications should be submitted at least 10 working days prior to the monthly meetings. Meetings are held the second Wednesday of every month (except August.)
- Applications must be received and reviewed a minimum of 60 days prior to the date of the event.
- Only completed sponsorship applications will be considered for funding.
- One half of the monies awarded are paid to grant recipients prior to the event. The balance of the monies will be awarded once the **sponsorship evaluations** have been returned (no later than 30 days after the event is held, unless prior arrangements are made).
- Sponsorships are not available for events that have occurred prior to the application.
- All funding will be contingent upon the event occurring within the stated event dates. If the event does not occur at that time, awarded grant monies will be returned to the Visit Spearfish fund. Exceptions include inclement weather which may cause the event to be rescheduled.
- Surrounding trade communities may apply for sponsorships if lodging and restaurant facilities in Spearfish will be impacted (ie. overflow lodging is needed).
- Sponsorships are awarded based on the economic impact (ie. hotel rooms, restaurant/retail sales and attraction visits) generated in Spearfish.

Visit Spearfish reserves the right to offer consideration for special requests or waive any applications.

- Send completed applications to:
Visit Spearfish, Inc.
603 N. Main St.
Spearfish, SD 57783
